### WELCOME TO REMER!

That's what our new sign is telling us! But this sign could do so much more! We want your events to scroll or flash across in LED lights for all the community to see! Think how attendance to your event could be impacted with a simple reminder from our new sign!

Enclosed is a request form to use when your company, group or organization has its next event. Drop off the details of your event at one of our drop sites and the LED Sign Committee will see that your announcement gets advertised.

Your event information can be dropped off at one of the following locations:

[REDACTED]  
The Woodsman  
[REDACTED]

Please allow ten (10) days prior to your event to have it run on the sign.

There is no fee for this service. However, the Remer Area Chamber of Commerce, (RACC), will accept donations. Any contribution received will go into a designated fund to maintain the sign. The donations would help us reach our primary goal—to add the top section (above the LED bar)—which will also be lighted and actually show off the LED better! Hopefully you will consider this as you submit your event to us!

Thank you for hosting and advertising your event on the new community "Bill Board", aka, the LED sign!

Sincerely,  
The "LED Sign Committee" of  
The Remer Chamber Area of Commerce
